Browser window showing a list of network logs from the aprs.fi website. The address bar displays <http://aprs.fi/?c=raw&call=OM3KEG-11>. The page title is "Zdrojový paket z OM3KEG-...". The main content area displays a list of network logs, each starting with a timestamp and a call sign, followed by a description of the packet and its location. The logs are sorted by time, showing a sequence of packets from 2013-12-14 03:14:19 CET to 2013-12-14 03:40:02 CET. The logs are categorized by "OM3KEG-11" and "APAVR0,RELAY,WIDE2-2,qAR,SR9NON". The logs are displayed in a table format with columns for timestamp, call sign, and packet details. The status of each packet is indicated by a red "Invalid uncompressed location" message.

A photograph taken from space, showing a curved horizon of Earth. The foreground features a white, cylindrical satellite component. The Earth's surface is visible with blue oceans, white clouds, and green landmasses. The text "Děkujeme za pozornost!" is overlaid in white on the right side of the image.

Děkujeme za pozornost!
